SERVING OUR COMMUNITY
 Big or small, every gift you give helps transform lives. We could not do what we do without your support. The St Paul's Food hub provides nutritious food and other emergency items for the most vulnerable people and families living on the streets as well as others in need in St Pauls and the surrounding areas. With a steady rise in the number of people relying on our services, we are committed to ensuring that we can continue to meet their needs. This can only be done with your continued support in both donations and volunteering. If you would like to get involved, please contact Claudette Brown, to see how you can help?

COMMUNITY HEALTH TEAM

THOUGHT FOR THE MONTH

The building is being prepared to slowly reopen its doors to the church community so that we can begin to experience personal worship again. The Bible teaches, *"O come let us worship and bow down: let us kneel before the Lord our maker. For he is our God; and we are the people of his pasture, and the sheep of his hand. Today if ye will hear his voice"* Psalm 95: 6-7 KJV.

God's children must always be ready and willing to experience worship, virtual or in person at church. Individually and collectively, we need to prepare ourselves to enter into God's sanctuary so that we can share genuine fellowship with those we have not physically seen for over a year. Despite our distance, we need to be thankful that God has allowed us to experience virtual worship. For this we give God Praise.

NEWS IN BRIEF

Birthday Blessings: to all those who celebrated last month and those who will celebrate in April.

In our prayers: Please remember Patrice Watkin and Maxine Decordova who have had recent family bereavements.

Congratulations and Good luck to: Our Pathfinders who are through to the Trans European and North American Division level of the Pathfinder Bible Experience.
