## 2021 Wrap Up

For some of our community, it has been a turbulent year. To some extent each of us has been scarred by death and grief with our dearly beloved called to rest in Christ. We extend our continued prayers and support. On a more positive note, we have also had a year of births. May God guide, nurture and bless each new parent as they navigate their way through this new chapter in their lives.

We can also give God thanks for what he has helped us to achieve as a church over 2021:

- The new members that have been added to the kingdom of God through baptism.
- Adventist Youth Ministry has actively engaged our teens, young adults and young people into service, adding vibrancy to our Sabbath Worship Experiences. They have sought to build relationships with our neighbours and meet the need of the community. Working with Kelly House and The Salvation Army, successful Community Carol Service was held, see website for the YouTube link. The team have also continued to collect food for the local Food bank.
- Our Audio Visual Team has continued to build our YouTube presence as a result of streaming our weekly sermons.
- Our Community Health Team has continued with the weekly Health nuggets and have also worked with the Adventist Youth to host a series of seminars on the topics of: Dementia, Mental Health, Nutrition, Stroke, Prostate Cancer and Special Educational Needs to name but six.

The emergence of the omicron variant is sending some of our well-crafted holiday plans into a tailspin. So too have the mixed messages from the Government, leaving us all uncertain of whether we are going into another lockdown. As we consider the future, we guess many of us will be reconsidering our plans carefully. Anxiety and uneasiness abound. But I hope everyone gets some time to rest, relax and refresh.

Regrettably, we took the decision to suspend all in-person worship services for 2 weeks to ensure the safety of everyone in light of local rising Covid-19 cases. In-person services will resume as from 08<sup>th</sup> January. We look forward to welcoming you. In the meantime, the Risk Assessment is available on the website, key points are listed below:

**Bristol Central church will now open for in-person worship services from Saturday 08<sup>th</sup> January 2022 at 10:00 am. Doors will open from 9:30 am.**

Please note that due to the government guidelines, we are asking everyone in attendance to wear a mask, unless are exempt.

We also ask that you sanitize regularly, there are points by each door.
